Ohio University	1958-61	2½
Degree: M.S. (Major--Zoology; Minor--Botany) --Thesis: "A Comparative Study of the Gross Anatomy of the Digestive System of Some North American Salamanders" (The zoology included courses dealing with the biology of man.)		
University of South Carolina Embryology course	1963 (Summer)	
Indiana University at Fort Wayne Paleontology course	1972 (Autumn, part time)	
National Science Foundation Institutes for Teachers of College Biology:		
1. Conference in Radiation Biology, St. Augustine's College	1964 (Summer, 3 weeks)	
2. Molecular and Developmental Biology, University of N. Carolina at Greensboro	1965 (Summer, 8 weeks)	
3. Summer Institute in General Parasitology, College of Veterinary Medicine, University of Illinois, Urbana, Ill.	1967 (Summer, 6 weeks)	
4. Summer Institute in Comparative Anatomy, Dept. of Zoology, University of Washington, Seattle, Wash.	1968 (Summer, 6 weeks)	
Summer Course, "Environments of Carbonate Deposition" Bermuda Biological Station	1973 (Summer, 2 weeks)	
<u>II. Teaching Experience</u>	<u>Dates</u>	<u>No. of years</u>
Southeastern Bible College --Bible, Anthropology, etc.	1952-55	3
Morris Harvey College --General Biology, Anatomy & Physiology for nurses	Jan.-May 1961	½
Wingate Junior College --General Zoology, Vertebrate Zoology	1961-66	5
Grace College --General Biology, Vertebrate Zoology, Parasitology	1966-1973	7

III. Professional Memberships

Period of membership

- | | |
|---|--------------|
| 1. North Carolina Academy of Science | 1962-66 |
| 2. American Scientific Affiliation | 1961-present |
| 3. Ohio Herpetological Society | 1961-66 |
| 4. Society for the Study of Amphibians and Reptiles | 1967-72 |
| 5. Indiana Academy of Science | 1967-present |
| 6. Indiana College Biology Teachers' Association | 1968-1974 |
| 7. Association of Midwest College Biology Teachers | 1969-present |
| 8. Field Museum of Natural History | 1971-1973 |

IV. Publications

- 1963 "A comparative study of the gross anatomy of the digestive system of some North American salamanders." Journal of the Ohio Herpetological Society, v. 4, nos. 1-2, p. 31-48.
- 1967 "Life in a test tube." Brethren Missionary Herald, v. 29, no. 10, p. 27-30.
- 1970 "The new biology." Brethren Missionary Herald, v. 32, no. 4, p. 23.
- 1974 "Critique of 'Is the Capitan Limestone a Fossil Reef?' by Stuart Nevins." Creation Research Society Quarterly, v. 10, no. 4, p. 237-241.
- 1975 "Non-radiometric data relevant to the question of age." Journal of the American Scientific Affiliation, v. 27, no. 4, p. 145-152.

V. Personal Data

1. Place of birth--Mountain Lake Park, Maryland
2. Date of birth--April 21, 1922
3. Marital status--Married, with two children, ages 21 and 24
4. Church membership--Wayside Baptist, Warsaw, Indiana
5. Present address--Route 2, Box 9, Oakland, MD 21550
